

Second & Third Interim Reports to IMLS

September 26/November 14, 2003

The second and third interim reports submitted to IMLS presented similar information. Project Athena's accomplishments listed in those reports are summarized as follows:

Recruitment

- The six doctoral students selected as fellows were named and the status in their respective programs, academic accomplishments, and research interests were included
- Draft of chapter for book titled *Unfinished Business: Race, Equity, and Diversity in Library and Information Science Education* submitted to editor
- Meeting held with sponsor school representatives at ALA Toronto, June 2003

Education

- Two phone conferences held between project P.I.'s and program coordinators to discuss design and content of course

Assessment

- Project Athena Doctoral Candidates Survey questions revised
- Project Athena Doctoral Candidates Survey initial data collection completed and responses were analyzed
